YOUTH MINISTRY: KENNETH WILCOX

MAY I HAVE YOUR ATTENTION PLEASE!!!!

We are so blessed here at MCCC with a wonderful youth ministry. But C.J. and the deacons cannot do it all.

First of all, it is the responsibility of us as disciples of Christ to make disciples. So here is what you can do if you have a child who is not actively involved in the youth group: get them plugged in. If you know or see a youngster who is not in the youth group, help them get connected. You know the old saying "monkey see, monkey do." The best way to lead is by example and to make sure you are plugged in as well.

There are so many ways that we can love one another by being involved in each others lives, so don't miss an opportunity. Find a life group or better yet, start one. Just two or three families is a perfect size that will let your kids develop relationships there and help them feel more comfortable at larger events and gatherings.

As always, never be afraid to reach out to a minister, deacon, or elder . We are here to serve the Lord's family and we love assisting you in anyway we can!

Your brother in Christ, Kenneth Wilcox
