RFC NEW HAMPSHIRE MISSION TRIP

This summer we will be going to Littleton, New Hampshire! Wayne Burger is the minister in Littleton and has started a church in that city this year. He is a wonderful man of God and a great evangelist. He was an instructor at Bear Valley Bible Institute and serves now as an adjunct professor with the school now. Wayne has many years of experience in preaching, mission work, and planting churches. We will be supporting a great work and will learn a lot from Wayne in our time with him.

In our time in Littleton, we will be doing various service projects with the community there. This will show Christian love to the community members and make a great name for the church there. We will be working with retirement homes and other community members, serving them and loving them.

Littleton is a beautiful small town in New Hampshire. It will be a great experience for us to be able to visit a wonderful little town and play a part in growing God's Kingdom where it is not very present at the moment. Wayne says the people there do not make religion a priority at the moment, so our service to them will paint Christianity as something that can bring joy and love into their lives.

I am excited to be leading this group. I am excited to go to a new place, meet new people, and create new memories. We will grow in our faith a lot in these weeks, and we will have a great opportunity to work for God.

Justus Bobo - *Interim RFC Minister*

Our God gets the glory for all, but you have been then hands and feet in His service ministering to us, and we are very grateful. We love you and thank you for everything!
