MINISTRY HIGHLIGHT: LEADERSHIP TRAINING FOR CHRIST, BY MICHAEL YORK

People love the saying that "children are the future of the church". In fact, I think I said that exact statement during the LTC showcase last year. I read an article this week that reset my understanding of the LTC program though... "children aren't just the future of the church, they are the present!"

The LTC program provides an avenue for our younger friends (3rd – 12th grade) to expand their servant heart and engagement in the church. Every Sunday afternoon since January, these kids have been creating, studying, performing, and engaging with one another around a common theme of "Be Still" in the book of Exodus.

The season culminates with a convention next weekend in Kansas City. These kids are the energy and heartbeat of the present and future of our church! Pray for them, encourage them, and support them as they grow in their faith!
