Happy Mother's Day!

Her children rise up and call her blessed; her husband also, and he praises her:

"Many women have done excellently, but you surpass them all."

Charm is deceitful, and beauty is vain, but a woman who fears the LORD is to be praised.

Loving Choices Baby Bottle Campaign

Every year we get a bunch of baby bottles from "Loving Choices Pregnancy Center". What we do is simple: we just fill the bottles up with spare change and return them. Did you know that after a woman sees her baby in an ultrasound, she is 75% more likely to carry the baby? Loving Choices offers free services to expecting mothers who may not know what to do and in need of help and care. For these mothers, Loving Choices offers free parenting classes, education, and resources these women need for their pregnancy and beyond.

There is more we can do on top of giving our change. Volunteers can help mentor by being a listening ear and walking alongside a young mother-to-be. You can also help in the Boutique, helping mother's prepare for their babies.

VBS 2024—Save the date!

June 30 - July 3, Nightly

This year's theme is "Scuba: Diving Into Friendship with God" with memory verses from the gospel of John. We need YOU! Please scan the QR code below or let Sara Chance know how you would like to help.

Classroom Addition Update

Mount Comfort Elders approved adding additional classrooms in 2021 to support both Sonshine School and our Children's Ministry. The project added 6 new classrooms and has provided the opportunity to increase the number of children able to attend Sonshine School from 65 children in school year 2021-2022 to 154 children in 2022-2023 and continuing to grow to 190 children in 2023-2024 school years.

The total cost of the addition was approximately \$1,649,000. Church members stepped up and pledged \$702,700 to be used to pay for part of the expansion. Through April 28, total pledge payments made total \$344,830 leaving a balance to be paid of \$346,370. In addition to the pledges, the Elders used one-time money that had been donated in past years and authorized taking a loan out for the balance of the construction cost. The construction loan was obtained in May 2022 and the total loan reached \$893,805 May 2023. As we approach the 2-year anniversary of starting the classroom addition the loan has been reduced to \$670,914 as of April 24, 2024. Mt Comfort has included monthly mortgage payments that total \$112,044 in our annual budget.

The Elders have also decided to use \$215,000 of the bequest to pay down on the loan. If the pledge payments continue to be made and the monthly mortgage payment is included in future budgets the classroom loan could be paid off in October 2025.
