MINISTRY HIGHLIGHT: CHILDREN'S HOME COIN CAN FUNDRAISER

It's time to turn in your Children's Home coin cans so we can send the funds to them for their Homecoming. This is their major fundraising event of the year.

Also, a BIG THANK YOU to all those who have worked hard remodeling the auditorium. Many long hours were spent planning, designing and laboring over this project to make it a success. This remodel increased the size of the stage for special events and has improved the view for not only those present but for our livestream family. Green is a color of growth and newness. May we constantly be a part of new growth unified in the mind, body and spirit of Christ.

FYI- A contract was signed a few weeks ago for the replacement and upgrade of our building heating and air system. The cost is approximately \$586,000 and has been in the capital expenditure budget for 2 years. This upgrade should happen sometime in December. Thank you for your patience as we work to maintain the facilities that God has blessed us with.

THANK YOU

- To all the men and women who have been working long hours remodeling the auditorium.
- For the Sonshine school staff who pour their heart and soul into these little ones day in and day out.
- For the elders, ministers, deacons, teachers and staff members who seek God's will over their own and pray continuously to best care for the flock.
- For the many church members who volunteer on a regular basis to help edify & build up the body. We appreciate your servant heart. We are beyond blessed!
