THANKSGIVING BASKETS

We would like to sincerely thank all the members who expressed an interest in delivering Thanksgiving grocery sacks to those who could use a little extra help with their family dinners this holiday season. In early November, Matt Wilson announced that we could collect names of anyone willing to assist with this outreach. A more detailed explanation was provided in the November 9th bulletin. We are pleased to share that the Banford House has kindly taken on the responsibility of overseeing this Thanksgiving ministry. Thanks to their support, we are able to purchase most of the necessary food items at significantly reduced prices, allowing us to provide a generous portion of the groceries from our inventory. In addition, we purchased supplementary items to complete the sacks, similar to previous years. We truly appreciate the donations many of you contributed toward these purchases. Our dedicated volunteers at the Banford House assembled the sacks, which will be available for pickup today after services at the Banford House. Thank you for your compassion and support in making this holiday a little brighter for our community.
