Attended Nursery available in Room 106, intended for babies in the two year old class and younger. This is available during the worship service.

Children's Church available in Room 211, for ages 3 through kindergarten. Parents can take their children upstairs after the children's offering & pick them up immediately after worship service.

MINISTRY HIGHLIGHT: SARA CHANCE

With the money given each week to the children's offering, as well as money that was given specially for backpacks and coats, we have been able to help as needs arise at several nearby schools. Coats, backpacks, pants, socks and school supplies are frequent needs that we have been able to meet freely. It is so wonderful to be able to say yes to helping!

I am continually struck by how many people are affected by our involvement in local schools' needs. It doesn't just affect the child and his/her family. Social workers and counselors, teachers and administrators, all appreciate us standing with them in their tireless efforts to support children. What might seem like a drop in a bucket—literally, our children drop coins in the offering buckets—has a ripple effect in our community, as God blesses our giving. Thank you for being so generous this past year!
