It is always a blessing to see the response this congregation has for the mission efforts we are involved with. The funds from Mission Sunday help us with several things through the year. Thanks!

As normal we are doing a summer mission effort in Honduras. This year we are looking at some changes that we hope will prove to be a blessing to the churches there. We will be doing a medical brigade in July but we are also looking at a possible spiritual seminar in December. This will give a better opportunity for spending more effort on encouragement to all ages as the teens and children will be out of school then. Please be in prayer for this effort and consider being part of the TEAM!
