PRAYER LIST

Prayer Requests will be printed on this list for up to 3 weeks at a time, unless further updates are received by the church office. Requests can be submitted by email through Thursday mornings to office@mountcomfort.org. Thanks!

Prayers are requested for **Emily Seaman**, granddaughter of **Gina Danielson**. She is home for now and awaiting biopsy results that will determine the next steps. Please continue to keep her in your prayers.

Please keep **Keith Branch's** son **Tyler** in your prayers. He had another surgery to amputate further above his knee, but it was successful and doctors were pleased with what they saw.

Prayers are requested for the **Bells' daughter, Laura**, and her family as they seek the best care for their daughter, **Ellie**. A new doctor has ordered tests to help determine what is causing her health problems. Please pray for guidance and much-needed answers.

Peter West is continuing testing at the Mayo clinic. The original tests were inconclusive. Additional biopsies are being taken to determine how to proceed with treatment. Please continue in prayer that the results are good and progress can be made toward healing.

Pray for **Lyndsey Stout's** most recent surgery, that the leak was sealed and she won't have any more issues. She will be in the hospital for several more days for monitoring.

Amber King, daughter of **Mary Grady**, had major heart surgery. Please keep Amber and her family in your prayers.
