MINISTRY HIGHLIGHT: SENIOR SUNDAY

Congratulations to all our 2026 high school graduates!!! We are so proud of you all and all that you have accomplished over the years you have shared with us at Mount Comfort! We are excited to see the places you will go and the success you will have in the years to come.

As you prepare to set off on your next big journey in life, it is fitting to share a teaching that King Solomon wanted his son to remember and keep close to his heart.

"Trust in the Lord with all of your heart, and do not lean on your own understanding. In all of your ways acknowledge him, and he will make straight your paths." (Proverbs 3:5-6)

Congratulations!

Seth, John David, Cole, Akin, Caleb, Bethany, Ella, Noah, and Callie

UPCOMING EVENTS

May 17 Brooke Scott and James Morningstar's wedding shower at the church building from 2-3 pm

May 17 Senior Sunday Luncheon

May 22 Senior game day at the building at 1pm

PRAYER LIST

Prayer Requests will be printed on this list for up to 3 weeks at a time, unless further updates are received by the church office. Requests can be submitted by email through Thursday mornings to office@mountcomfort.org. Thanks!

Prayers are requested for **Emily Seaman**, granddaughter of **Gina Danielson**. Her last bone marrow biopsy showed that the treatment is working. Another biopsy is scheduled next week, and if it is clear, she can begin preparing for a stem cell transplant once a donor match is found.

Please continue to keep **Keith Branch's** son, **Tyler**, in your prayers. His additional amputation surgeries went well, and he was released on Saturday. He is in good spirits as he continues his recovery at his mom's home.

Prayers are requested for the **Bealls' daughter, Laura**, and her family as they seek the best care for their daughter, **Ellie**. A new doctor has ordered tests to help determine what is causing her health problems. Please pray for guidance and much-needed answers.

Peter West is continuing testing at the Mayo clinic. The original tests were inconclusive. Additional biopsies are being taken to determine how to proceed with treatment. Please continue in prayer that the results are good and progress can be made toward healing.

Pray for **Lyndsey Stout's** most recent surgery, that the leak was sealed and she won't have any more issues. Pray for pain management and successful recovery.

Amber King, daughter of **Mary Grady**, had major heart surgery. Please keep Amber and her family in your prayers.

Josh and Marla Matthews thank you for the prayers for their daughter **Morgan**. She is doing great. Please keep her continued recovery in your prayers. She hopes to return to work in a few weeks.
