PRAYER LIST

Prayer Requests will be printed on this list for up to 3 weeks at a time, unless further updates are received by the church office. Requests can be submitted by email through Thursday mornings to office@mountcomfort.org. Thanks!

Prayers are requested for **Emily Seaman**, granddaughter of **Gina Danielson**. She will begin maintenance chemo treatments 3 days each month. She will also be meeting with the transplant surgeon in Little Rock for preparation for a stem cell transplant when a matching donor is found.

Please continue to keep **Keith Branch's** son, **Tyler**, in your prayers. His additional amputation surgeries went well, and he is in good spirits as he continues his recovery at his mom's home. There is a MealTrain link in the private Facebook group for the church, if you would like to show care to Tyler during this time.

Continue to pray for the **Bealls' daughter, Laura**, and her family as they seek the best care for their daughter, **Ellie**. Pray for guidance and much-needed answers.

Peter West is continuing testing at the Mayo clinic. The original tests were inconclusive. Additional biopsies are being taken to determine how to proceed with treatment. Please continue in prayer that the results are good and progress can be made toward healing.

Lyndsey Stout is doing okay after her recent surgery. Please pray for her as she continues to work through fatigue and soreness from the VP shunt being placed in her abdomen.

Amber King, daughter of **Mary Grady**, had major heart surgery. Please keep Amber and her family in your prayers.

Josh and Marla Matthews thank you for the prayers for their daughter **Morgan**. She is doing great. Please keep her continued recovery in your prayers. She hopes to return to work in a few weeks.
