MINISTRY HIGHLIGHT: WHY OUR SOCIAL MEDIA MINISTRY MATTERS

Mt. Comfort has quietly built a strong and encouraging presence on social media. We see the Facebook posts, YouTube sermons, and weekly livestreams—but it's worth remembering *why* we do these things.

Our social media ministry isn't about trends or technology. It's about people.

It's about the shut-in sister who can't attend in person but still worships with her church family. It's about the young couple who moved away yet stays connected through devotionals and updates. It's about the member who shares a sermon link with a coworker searching for hope. It's about the quiet encouragement that comes from seeing a verse, a prayer request, or a baptism online.

In a world filled with competing voices, our digital presence lets the light of Christ shine in places we may never physically reach. Jesus said, "You are the light of the world. A city on a hill cannot be hidden." Today, one of those hills is digital.

We must be wise about social media's dangers, but we also want our church family to see its purpose: to encourage, connect, teach, and reach. Every post and livestream is another way Mt. Comfort can serve, bless, and shine.

Thanks,
Anthony
